

September, 2003

Dear Parent(s)/Guardian(s) of Wilson High School Athletes:

According to **Los Angeles City Section CIF Athletic Rules and Regulations**, Rule 604-1 states, "When a bus is furnished to transport athletic teams to contests...*Students assigned to bus travel must return by bus. Travel by private car is not permitted unless specifically approved in writing by the principal/designee of the school and must be done prior to the event.* This notification may need to be made available to opposing school, if requested."

Many parents/guardians attend athletic events (at opposing school sites) and wish to take their son/daughter home after the contest instead of meeting the team back at school. **Due to insurance purposes, athletes can only be released to their parent(s)/guardian(s).** Please complete the form below to be reviewed for consideration by the administrative staff at Wilson High School. **This form must be submitted prior to the next contest (to opposing school site) to be reviewed and filed with the Assistant Principal in charge of Athletics at Wilson High School.**

-----Please complete and return to athlete's coach to be submitted to administration-----

STUDENT RELEASE FORM

I wish to have my son/daughter ***released to me*** after competition at an opposing school site. This ***Student Release Form*** is to be used for one or more contest(s) during the season. A form must be completed for each sport the student participates.
