

Attention All Students!

From: Kristopher Carbone, Technology Coordinator

Instructions for logging into the **WILSONMULES** domain

Student user accounts are NOW available for all Wilson H.S. students. If you plan on using school computers it is required that ALL students login with valid credentials. **Last year's student accounts MUST be reactivated!** Student accounts are deleted at the end of each school year and recreated at beginning of the school year. If you plan on using the internet a copy of Acceptable Use Policy form must be signed by both student and parent. AUP's turned in last year are NO longer valid. You can obtain a copy of the AUP in the Seymour Zone or Download one from the Wilson Website.

Your student username is your ten digit district ID. This ID number is printed on your ID card and/or attainable from ISIS. Passwords are the last four characters of the username, **and MUST be changed upon first login.**

Password: **MUST USE
Capital M or F**
